

Bogong Outdoor Education Centre - Ride To Work 2011

The staff of Bogong Outdoor Education Centre were happy to wake up to a sunny day for the annual Bike Victoria Ride To Work day on Thursday 12th October. Many Bogong staff regularly ride the 15km stretch between Mount Beauty and Bogong Village with some even braving the cold during the Winter months on a regular basis.

The Bogong staff ride under the team name of 'On Your Bike For Burramys', as they endeavour to raise awareness about sustainability issues concerning the endangered Mountain Pygmy Possum, reduce their workplace carbon footprint as well as meet 5 star Sustainability certification with the Resource Smart Australian Sustainable Schools Initiative.

Riders standing next to Bogong's new, purpose-built, undercover bike shelter were L to R: (front) Roger Blackwell, Russ Bellingham, Jack Simpson, Marty Eriksson, Jarrod Paine, Alice Hamilton, Michelle Forrer, as well as community supporters, (back) Stuart Richardson and Paul Gray.
